

Greater Sierra Vista Kennel Club Follow-On Scholarship Overview

The Greater Sierra Vista Kennel Club would like to further support its previous scholarship winners by offering follow-on scholarship(s) of up to \$1000/year to winners of the GSVKC scholarship continuing to pursue a degree in animal health care. GSVKC scholarship winners are encouraged to apply for this scholarship even if they have previously applied and been turned down as the pool of eligible applicants and funds available may change from year to year. **Deadline for applying is July 1st.**

A committee appointed by the GSVKC Board of Directors will determine the scholarship award(s) based on the submitted applications. The Committee may, at its discretion, conduct interviews (formal or informal) of the applicants. Since the award will be made payable to both the recipient and the educational institution where the winner has been accepted as a student, the use of the funds must be agreed upon by the two payees. The money can be spent for anything that furthers the education of the recipient. The scholarship is considered an educational grant. Therefore, no recipient shall be required to repay the award in whole or in part.

No application will be rejected nor award made based on race, religion, gender or age. The recipient(s) will be notified by mail of the award. Neither the award nor the amount of the award is affected by any other scholarship(s) received. The applicant is responsible for submitting a completed application in accordance with the attached instructions.

All requested letters and information must be provided for an applicant to be considered.
